6) Here is the courses information page. You can see more information about the course here.

The screenshot shows the course information page for 'DAB1 Dental Assisting Bootcamp'. The page is divided into several sections, each highlighted with a red box and a numbered callout:

- 1:** Top navigation bar with social media links and the breadcrumb path: Home > All > DAB1 Dental Assisting Bootcamp.
- 2:** Course description: 'This online course is offered in partnership with Health Tech Academy. The goal of the dental assistant program is to provide the foundational knowledge and skills needed to support dentists and dental hygienists in a dental office. Curriculum includes foundational knowledge on oral health and prevention of dental disease, patient information and administrative tasks, dental materials, professional skills and radiographic imaging. Students will prepare for the Registered Dental Assistant certification. Please note that the American Heart Association Basic Life Saving Certification is a pre-requisite. EXAM, EXAM PREPARATION & E-BOOK: The program cost includes Official Self-Assessment by AMT, One Certification Exam Voucher, and Elsevier (Modern Dental Assisting) - Elsevier eBook on VitalSource, 13th Edition PROGRAM OBJECTIVES: • Understand dental assisting's history, roles, ethics, and legal aspects. • Gain comprehensive knowledge in dental sciences, including anatomy, physiology, embryology, histology, and tooth morphology. • Learn about oral health, covering dental caries, periodontal disease, preventive dentistry, nutrition, and oral pathology. • Master infection prevention in dentistry, including microbiology, disease transmission, disinfection, and sterilization. • Attain proficiency in occupational health and safety, covering regulations, chemical management, dental waterlines, and ergonomics. • Develop skills in patient assessment, including information management, vital signs, oral diagnosis, pharmacology, and emergency assistance. • Acquire clinical dentistry fundamentals, understanding dental office operations, care delivery, instruments, moisture control, and anesthesia.
